FAOPMA-PEST SUMMIT 2018 and 2018 Chinese Pest Control Association's Annual Conference

Conference Date: **September 26-29, 2018**

Location: **Shenzhen Convention & Exhibition Center**

Organized by: **FAOPMA**

Hosted by: **The Chinese Pest Control Association**

Co-hosted by: **Shenzhen Pest Control Association**

FAOPMA's annual conference is an international event for the pest control industry in Asia and Oceania region. FAOPMA has held 27 conferences in various countries since it was established until 2016. These conferences had lasting positive impact on the pest control industry. In 2016, with the joint efforts of all member countries, the two major international conferences – FAOPMA and Pest Summit, were integrated, and FAOPMA-PEST SUMMIT 2017 was successfully held in Thailand with overwhelmingly positive feedback, far-reaching international influences and high level of satisfaction from all participants.

2018 is the second year after the integration of FAOPMA and Pest Summit, and it is China's second term as the seat of Chairperson of FAOPMA. 2018 will be the year for this great industry event to return to China after 9 years.

Joint Conference between FAOPMA and Pest Summit with Unprecedented Exposure.
